Our Markets....

With the recipe of hard work and dedication, we strive to achieve nothing but the best....

Bhole Nath Foods Limited today is known for its uncompromised high quality which the company maintains round the year. Today Bhole Nath Foods has made a niche for itself in not only the home market but also in the international market.

Being a young company, we understand what the consumers of today want and strive to achieve nothing but the best for them, offering new and innovative products, latest packaging and new design solutions.

In the domestic market, we work with distributors to make our product available across the country.

Bhole Nath Foods Limited bringing to you the most superior form of Basmati rice available on Earth. Superior because every grain of this Basmati Rice has exceptional grain length, which elongates to more than double its size upon cooking and has an aroma that is sweet and appetizing. A wholesome treat, Eravat basmati Rice is clearly the smart choice of the smart people.

Fertilized by clean, snowfed water from the Himalayas and processed in an extremely hygienic manner, it is the most refined Basmati you will ever get.

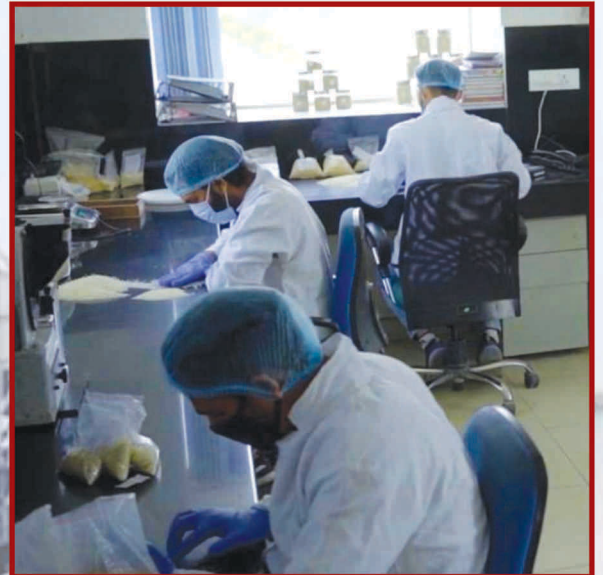

Quality

Assurance

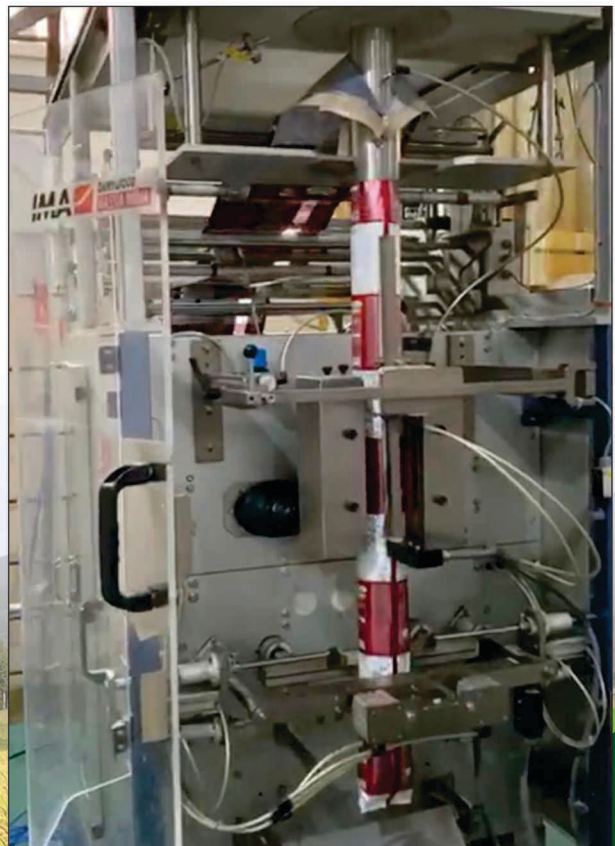

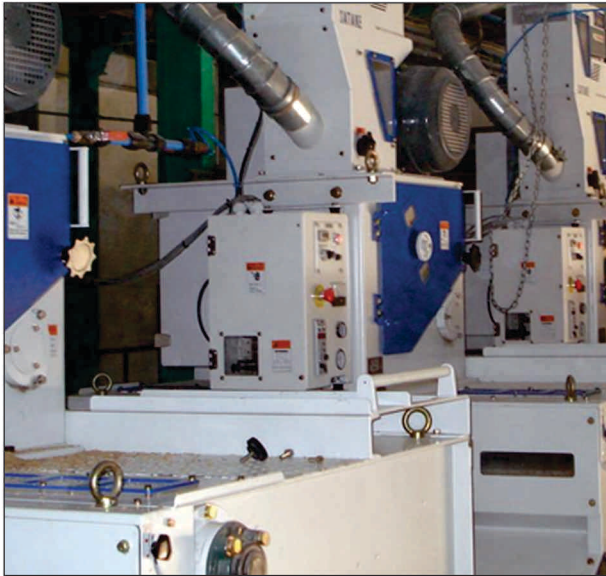

We at Bholenath Foods Limited believe that our goal is to have complete customer satisfaction through maintaining the highest standard of quality and meeting our commitments on time everytime.

The group has its own production and warehousing setup installed with the latest fully automated rice machinery with the best in class-imported machineries to provide the finest quality of Basmati Rice.

Our warehousing and storage facilities ensure excellent maturity of the rice kernel. We procure the finest quality of paddy which is grown in the foothills of Himalayas with snow fed water. Each grain of Basmati rice tastes like a drop of heaven..
